#### A Message From Your Executive Director...Glenda Hanley

Dear Residents,

Happy Independence Month! I hope you are all having a great summer so far, and we are looking forward to another fun month!

One thing I will remind us all of is to make sure you are doing all you can to keep yourself safe during this most recent kick-up of Covid again. Please let us know if you either are feeling bad or if you have been exposed to someone who has tested positive so that we can put safeguards in place for you and for your friends that reside here with you. With all of us working together, we can keep our exposures and Covid issues as low as possible.

Please keep a watch on the calendars for new events and activities we are implementing so that we can make sure we are planning things that you all enjoy and want to do. Any ideas are always welcome!

I hope you all have a wonderful month!

With much love & respect.....

Glenda

#### Get to Know Rosemary Kelly

Resident of the  
Month...Rosemary Kelly

Rosemary was born in Providence, Rhode Island. She is the youngest of two girls. Rosemary was employed for 28 years for the State of Rhode Island. She was a job training and employment counselor. She also worked for the Department of Labor as a field investigator enforcing wage, hour and child labor laws. She has two grown children, one son and one daughter, four grandchildren and two great-grandchildren. Rosemary's hobbies include singing and being a member of two female Barbershop organizations, where competitions were taken very seriously. She also sang with her church choirs. She enjoys bingo and was a pretty good bowler until her knee kept her from throwing all those strikes. She has done extensive travel here in the US and Canada with her Barbershop group, which she misses very much. She has also enjoyed cruises to Bermuda and the Western Caribbean. She enjoys playing cards and working puzzles on her phone. After only being a LHH resident for 6 weeks she says she is glad to be here and everyone, residents and staff, have made her feel welcome. Welcome to your new home; we're glad you're here.

## Associate of the Month...Makenzee Melton

Makenzee is a true Florida native. Born and raised in Winter Haven she is one of three girls. She attended Winter Haven High School but graduated from Auburndale. Makenzee enjoys fishing and painting. She has a blue pit dog named Daisy whom she loves to play with. Would you believe it, her favorite food is potato soup? It's no wonder that she enjoys working in dining services. Makenzee is an outgoing and interesting person to talk with. Although she has never been out of the state of Florida, she has plans for travel later. She also doesn't like change. Makenzee really enjoys talking to the residents and hearing their stories. Makenzee's plans include learning as much as she can in dining services and furthering her education, maybe working in the medical field. Makenzee, congratulations on Associate of the Month.
