Administrator's Corner

Dear Residents,
Happy March!!

I hope you all are having a great year so far! We have had a lot of exciting things happening thus far and are looking forward to a adventure packed year with our Atlas Around the World. I hope you are participating in this.

If you haven't already, if you could check out the QR code at the concierge desk, we'd love to hear from you on google review! This is a great way for others to see what you love about LHH and help them to want to join our family as well!

Thank you for being the greatest group of residents!

With much love and respect!

Glenda

He loves his ice cream, as well as sports, movies, church, and most of all his family who are most important. Welcome him into the community when your down at activities.

March 2025

Meet Ron Bolin. Ron has been a member of the LHH team for 12 years. Ron began his LHH career as the primary bus driver extraordinaire. Ron knew just when to drop off and pick up, He knew when and where the ladies were to be taken for their hair appointments off site. He managed his timing and tried not to have anyone waiting too long. Ron is a long time resident of Polk County and he knew all the short cuts when going on outings. Recently he transferred to the maintenance department, and he is looking forward to retiring. Just to keep him "out of trouble" he is working 2-3 days a week and now has a 'to do' list longer than you can imagine that needs to get done. You'll always find Ron working in one apartment or another, or maybe in your own apartment. Ron is dependable, trustworthy, honest, and is always a gentleman. Ron, we are glad you are on our LHH team.
