### Administrator's Corner

Dear Residents,

Well I don't quite know how this happened so fast, but here we are at the mid-point of the year already!

We have a lot of fun planned this month as we "cruise" to Peru for our annual Senior Prom!

Keep a watch on the daily calendars for fun things we will be doing as we cruise from port to port

Making our way to Peru!

Please also keep in mind that if you have a friend or relative that you think would like to learn more about LHH and possibly become a part of our community, please see Jennifer and she will be glad to reach out to them! Should they indeed come to be a part of us here, there is a nice credit for you so please pass along information on anyone you want us to reach out to!

I hope you have a wonderful month!

With much love & respect....

Glenda

### Resident of the Month

Meet Carolyn Lani, one of our amazing residents here at LHH. Carolyn was born June 27th, 1933, in Freehold, N.J. She joined the Military right out of high school where she served in the Navy and did clerical desk work for a year and a half. She left the military once she was married, women not being allowed to serve once you're

married and later gave birth to her three children, Michael, Tom, and Sandy. She also has 7 grandchildren. She worked most of her life in the courthouse as a commissioner of registration and then moved on to work for the sheriff department where she stayed until retiring in the year of 89. That very year she remarried and relocated to Florida and has been here in Florida ever since. She enjoys swimming, new restaurants, oil and pen painting, and also baking and sharing them with family. Next time you see her say hello and wish her a happy birthday.
