Administrator's Corner

Dear Residents,

Well I don't quite know how this happened so fast, but here we are at the mid-point of the year already!

We have a lot of fun planned this month as we "cruise" to Peru for our annual Senior Prom!

Keep a watch on the daily calendars for fun things we will be doing as we cruise from port to port Making our way to Peru!

Please also keep in mind that if you have a friend or relative that you think would like to learn more about LHH and possibly become a part of our community, please see Jennifer and she will be glad to reach out to them! Should they indeed come to be a part of us here, there is a nice credit for you so please pass along information on anyone you want us to reach out to!

I hope you have a wonderful month!

With much love & respect....

Glenda

June 2025

Resident's of the Month

Meet Richard & Sue Windish

Meet Richard & Sue Windish...Richard and Sue have been residents at LHH for about six (6) months. They relocated here from Sebring where they had lived for 8yrs. Having been married for 33 years (a second marriage for both) they found each other. They both enjoy doing most things together.

Each had 1 son and 3 daughters respectfully. Richard was a long haul truck driver for 40 years, and has driven over 4 million miles. After they were married Sue would join him on his travels. They have visited (or driven through) all 48 contiguous states. Sue, has worked as an assistant to a respiratory director at a hospital. Both were raised in the Baptist faith and continued to share their faith by both teaching Sunday school and being Deacons in their church. Richard has started a Bible study class here at LHH on Sunday mornings. Check your calendars for time and location.

Richard is an Army veteran. Did you know that he has written four (4) books? He would love to share his insight on those books. And not to mention he has 14 brothers and 7 sisters .

Sue,(my friends) at 17 years old entered and won a Cherry Pie Baking Contest in Kant County, Michigan. I can just taste those pies, can't you? ng

You'll find them playing bingo, pokeno, or working on a puzzle. Please welcome Richard and Sue to our LHH family.

Associate of the Month

Meet Phyllis Green our Activities Assistant here at LHH but you may remember her from our front desk. She sometimes goes by the name Lady Bug as she says her nickname. She takes great pride working here at LHH and always places the residents first and goes above and beyond for each one of them. Phyllis is a Godly woman and enjoys going to church, making her family and friends feel loved and special, she also loves gardening, cooking and baking.
