Director's Corner

Dear Residents,
Well here we are! Beginning the last month of 2025!

What a year this has been!

I hope you will all be joining us for all of the fun this month!

The calendar is full of a lot of extras to celebrate Christmas

season. If you have already given, please let me thank you for your generosity to our associates for the Associate Christmas

Fund. If you haven't had the opportunity to do so, please

make sure if you are wanting to give toward this that you

do so on or before Friday December 5th if at all possible.

I hope you and your loved ones have a very beautiful and

blessed Christmas and wishing you all a Happy New Year!

With much love & respect....

Glenda

happy new year

Resident of the Month

Meet Herb Campfield. Most of you know Herb from his friendly smile and welcoming personality, originally from Strongsville, Ohio where he lived for 50 years, wrestled and played football in high school.

He also lived in several other

states, Herb was your local telephone repair man and also Line Man. He was married to Connie for 48 years before she was deceased and they together had three children who are their pride and joy. The oldest son Chuck served in the Marines, 14 years, his daughter Michelle the middle child served in the army 4 years, and his youngest son Chad also served in the Army and was a west point grad and colonel. Herb moved down to Florida looking for the sunshine in retirement, where he enjoys his time golfing, catching up on the latest movies, going to the casino, and hanging with his friends and sister. He will also keep you on your toes in Trivia. Next time you see Herb ask him what other states he lived in, he may have been very close to you. We enjoy having you here with us at LHH.

Employee of the Month

Meet Khristinea Pryce, a new and loved employee here at LHH. Originally from Ft. Lauderdale, she moved to Winter Haven with her family as a brother is studying college in the area, alongside three other siblings. Khristinea is the third youngest in her family. Her hobbies include dancing, cooking southern food, doing hair and just being her fun and silly self. She loves caring for people as well and it sure shows in your job title here with our residents. We are glad to have you here with us at LHH.
