Director's Corner

Dear Residents,

Happy October! Well, here we are.... The kickoff to our holiday time of year! We have so many exciting things coming up for you so please stay closely tuned to your calendars so that you don't miss anything! One new and exciting thing I want to share with you is in regard to our Resident Referral Program! We have made some recent changes with the program that you are not going to want to miss out on! Beginning this month, any resident who refers someone to move into LHH will receive a nice referral credit on your account once your friend has been a resident with us for 90 days. BUT one additional step is that the friend that moves in, will also receive a credit of that same amount once they've been with us 90 days! So double wins with this change to our Friends Forever campaign! If you want to learn more about this, please let us know and we would be glad to share more with you – but this can be up to a \$2000 credit! So don't miss out. I hope you have a wonderful month! With much love & respect.....

Glenda
