Dear Residents,

Happy October!

Well, here we are..., The kickoff to our holiday time of year! We have so many exciting things coming up for you so please stay closely tuned to your calendars so that you don't miss anything!

One new and exciting thing I want to share with you is in regard to our *Resident Referral Program*! We have made some recent changes with the program that you are not going to want to miss out on! Beginning this month, any resident who refers someone to move into LHH will receive a nice referral credit on your account once your friend has been a resident with us for 90 days. BUT one additional step is that the friend that moves in, will also receive a credit of that same amount once they've been with us 90 days! So double wins with this change to our Friends Forever campaign! If you want to learn more about this, please let us know and we would be glad to share more with you – but this can be up to a \$2000 credit! So don't miss out!

I hope you have a wonderful month!

With much love & respect.....

Glenda

Resident of the Month

This month, we are pleased to celebrate **Sybille Parsley**! Born in Kloster-Arnsburg, Germany, and raised in Grossen-Linden/Giessen, she graduated grade school at 15 and worked with her parents in a slaughterhouse. Sybille eventually moved to the United States, after meeting and marrying H.V., who was stationed in Germany. Her family has been all over the country, first living in Kentucky and later California—her favorite place she has called home.

Sybille and her husband raised three children, who blessed them with six grandchildren. She is especially proud of her two sons, who followed their father into military service as an Army soldier and a Marine. Her daughter often visits here at the community.

These days, Sybille enjoys shopping, decorating, and creating a cozy home. She also loves taking walks around the community with her adorable companion, **Rascal**, who lives up to his name!

Please join us in celebrating Sybille and all the wonderful experiences that have shaped her life.
