November 2026

Director's Corner

Dear Residents,

Happy Thanksgiving Month! How in the world is it already
November!? It seems like we blinked and this year passed
us by! As we enter this month of giving thanks, I wanted to take a moment to let you all know how incredibly thankful I am for
each of you! Whether you are a resident, a resident's family
member, or a member of our amazing team, you are valued
and extremely important to me and I am so thankful that God
has blessed my life by you being in it! I encourage you this month, to seek our opportunities to tell those around you what you are thankful for with them and I truly believe that as we focus on the things we are thankful for then we can't help but see more of the beauty in each day!

With much love & respect...
Glenda

Resident of the Month

Everyone meets Miss Jane Wade. Jane was such an immensely beautiful heart and is the genuine guide to southern hospitality and kindness. She says, "I love living here at Lake Howard Heights, everyone is so nice." Originally from Mobile (Chickasaw) Alabama but has lived in Florida over 50 Years. Chickasaw was such a small town there was only one grocery store, one drug store, one theater and a post office when she lived there. She met her husband Dan at the age of 15 from a mutual friend and they were married 70 years. Together they had 3 children, 2 daughters and 1 son. She worked with her husband in the church as he was a pastor and she says, "Ive had a great life." She was fortunate to help counsel woman in the church and here at LHH she is still a great friend and resident. We enjoy having you here with us at LHH.

November 2026

Employee of the Month

Brianna joined the Lake Howard Heights family in June 2026 and quickly discovered how much she enjoys building meaningful relationships with our residents and bringing smiles to their faces. Her passion for food service began at a young age, starting as a delivery driver at Pizza Hut and working her way up to manager at just 18 years old! She later held management positions at Beef O'Brady's and in the kitchen at Sebring High School. Today, Brianna wears many hats at Lake Howard Heights, serving as a cook, hostess, and server. Outside of work, Brianna is a proud mother to her beautiful four-year-old daughter, Joanna, and is excited to welcome another daughter, Elena! She loves spending time with family and enjoying the ocean. Brianna's warm personality, dedication, and genuine love for our residents make her a wonderful part of the Lake Howard Heights family!
