

## Independent Living

We have incredible opportunities for our residents this month. We will host our Second Annual Fritz Farm Block Party on Saturday, May 20th, from 11:00 am- 2:00 pm. We will have over 50 local vendors, live music, and fun for all ages. Invite your whole family to enjoy this day in our community. This event will occur in our front parking lot, but some vendors will be set up inside the community. Again, this year we please ask residents, staff, and visitors to move their cars to our back parking lot the day before this event. We want the front parking as cleared out as possible so vendors can set up tents. If you have a car in handicapped parking, then you will not need to move your car, but it would be appreciated if you're able. Residents will receive a parking map as a reminder closer to the event. Parking at Pax Christi Church and Porter Church will be available for attendees of this event.

## Memory Support Neighborhood

Our Memory Support Neighborhood has an exciting month. They will attend many of our educational & music theater programs. We understand the importance of music and will offer several genres from talented performers this month. In addition, the SACPA School of Music will host a String Festival in our Theater on Tuesday, May 16th, from 2:00-4:00 pm.

We like to keep our residents' hands busy with our many craft activities. The crafts this month will be centered around Gardening. We will be creating DIY items to give our garden more character. In addition, we will be painting windmills, birdhouses, and garden signs to display in the courtyard.

## Personal Care

The Women's Tea Tuesday event held the previous month was a great success. The harpist played lovely spring tunes to get the gathering started on the proper foot. An unexpected visit from Madalyne Kinnett, a former waitress now competing for the title of Miss Kentucky, was also extended to us. It was a wonderful experience to have her come to our very first Tea Party.

This year, our entertainer Larry Cory will be performing at our Memorial Day cookout in our courtyard while costumed in a spectacular patriotic flag outfit. The event will take place in our courtyard at 4:00pm on Memorial Day.

Gretchen, who works with the VNA, is going to deliver a discussion on senior health about how important it is to drink enough water. This will take place in our Library at 1:30 pm on the 3rd of May, which is a Wednesday. Gretchen holds a Blood Pressure Clinic once a week on Wednesdays at 12:45 p.m., and all the residents are welcome to take advantage of it.

LEGACY  RESERVE  
AT FRITZ FARM

# THE JOURNAL

The Monthly Newsletter of the Legacy Reserve at Fritz Farm Community

### Employee of the Month:

Our employee of the month this month is Tom Martinson. Tom has been with Legacy almost two years in June and loves his residents. Tom is always going the extra mile to make sure everyone is happy, safe, and on time for their appointments.

Marie Piekarski 30<sup>th</sup>

## May Message from Mallory

Greetings!

We have made it to May, but our weather sure isn't acting accordingly. Hopefully we will start to experience the warmth of a Kentucky Spring in the next couple of weeks.

We have a very exciting month ahead of us and invite you all to join in on the fun! This Friday we will celebrate Cinco De Mayo in the bar at 2pm to make Margarita's together, followed by a Mexican themed buffet in Chandlers for dinner. Saturday we will gather back in the bar for our Derby watch party, starting at 4pm. Don't forget to wear your favorite hat and sing along to "My Old Kentucky Home."

Some of you have noticed our courtyard's getting a spring re-refresh, we thank you for your patience while we are completing these projects. We also plan to expand the patio in our Memory Care neighborhood, to accommodate more residents enjoy the beautiful space outdoors.

As always feel free to contact me with any questions!
