### Message from the Executive Director

Happy October!

We trust that everyone had a splendid time at our Golf Scramble benefitting the Alzheimer's Association last month. Madison and the entire activity team went above and beyond, not only in orchestrating a successful event that raised over \$10,000 dollars, but also in capturing the essence of community spirit!

This month, prepare yourselves for an unforgettable Halloween experience—"Golden Ghouls & Tiny Terrors: A Legacy Adventure". Scheduled for Monday, October 30th from 6-8 PM, this unique event is designed to bridge generations in a festively spooky setting. From storytelling and crafts to a Monster Mash Dance-Off and a tantalizing refreshment station, there's something for everyone. We're pulling out all the stops, so mark your calendars!

Additionally, don't forget our special bake sale leading up to the event, as well as opportunities to donate for our team initiatives. Please speak with an activity associate for further information.

As we transition into fall, we'll be embracing the spirit of the season in true Legacy Reserve Fritz Farm fashion. We encourage you to invite your family and friends to partake in our October festivities. We have a month full of excitement planned, and we're looking forward to celebrating it all with you!
