June National Park- Local State Park

Sweetwater Creek State Park is a peaceful tract of wilderness only minutes from downtown Atlanta. A wooded trail follows the stream to the ruins of the New Manchester Manufacturing Company, a textile mill burned during the Civil War. Beyond the mill, the trail climbs rocky bluffs to provide views of the beautiful rapids below. Additional trails wind through fields and forest, showcasing ferns, magnolias, wild azaleas and hardwoods.

***The Hunger Games was filmed in Sweetwater Creek State Park**
