Meet Ms. Mary Coleman a native of Cincinnati, Ohio! Throughout most of her career, Mary served as a Nurse's Aide and retired from Christ Hospital of Cincinnati. She later moved to Atlanta in 2018 to be closer to family. Mary has always been very active; she walked 5 - 8 miles/week, was a competitive bowler and always attended her grandkids' football and basketball games. Her hobbies included gardening, volunteering at the local food pantry, line dancing and serving as an Usher for many years at Lincoln Heights Baptist Church. She loves interacting with people and especially spending time with her grandchildren.
