Employee of the Month

Trudy Encisco, CNA

Trudy is our bright and early sunshine. Every day, our residents are awakened to a cheerful smile, a kind word, and loving care. Trudy helps us begin our daily routine, and she does this with an encouraging and enthusiastic attitude. Her love for our community is evident in everything she does. When not with us, Trudy is schooling her children at home. Plus, you can find her doing many different activities such as Volleyball, water skiing, biking or riding horses!

Thank you, Trudy, for the positive energy you bring to our community!

Resident of the Month

Alice Robitzsch

Alice is a very friendly resident in our community. Having been raised on a farm, and a hair stylist for sixty years, she has always been a hard worker. We love to hear her stories of the old farm days and her six siblings. You can usually find Alice chatting with friends, and she always has a sensitive, supportive perspective. We're so glad to have you here with us, Alice!

Welcome Janeen Cooper!
