Welcome Lisa Kerr!

Lisa is a native of the Caribbean. She was raised between New York and Miami, Florida. She always had a heart of servitude which led her to a degree in Nursing. Due to her love of health care, she went on to get her Master's in Health Care Administration. Lisa has worked in the senior living industry for the past 6 years. As the Executive Director, she believes that seniors should live a life that keeps their goals and dreams at the forefront. After living in many states as a military spouse, she and her family have settled in Acworth, GA. In her free time, Lisa loves to travel and spend time with her parents, siblings, husband, and son.
