## Traveling with David

David Snyder has created a video series that takes you on a journey around the world called A TIME TO TRAVEL. He was inspired to create this due to his wife's progressive Alzheimer disease. A sense of calmness would be brought to her as she enjoyed watching theirs and other experiences traveling. Thus, David has worked to compile a beautiful travel series for others, especially senior citizens, to enjoy!

As our Tour Guide, David will be taking us on several adventures around the world! Our first stop will take place on September 21<sup>st</sup> at 11:00AM. Come ready to be amazed and possible travel somewhere you have never been!!
