What goes up and down but doesn't move?

ANSWER: A staircase

## DID YOU KNOW?

It's illegal to own just one guinea pig in Switzerland

Guinea pigs prefer the company of other guinea pigs. That is why it's illegal to own just one of these in Switzerland. If one of your guinea pigs passes away and you're not ready to commit to another, the Swiss government will also allow you to rent a guinea pig as a companion to your remaining pet.

# EMPLOYEE OF THE MONTH

## Meet Karen!

Karen is one of our amazing Med Techs. She has a very warm, bright spirit and is very outspoken. You can't help but smile when you're in her presence. Karen started out at Legacy Ridge Woodstock as a CNA and worked diligently to get her Med Tech certification, so she can help our residents in a different capacity. Karen has always had a caring heart, but her love for working with seniors blossomed after taking care of her grandmother when she was sick. She is a team player and loves to do whatever it takes to care for her residents. Outside of work, Karen loves spending time with her 5 children, watching movies (especially Nigerian movies), and singing Gospel songs. We are thankful to have her on our team!
