

On January 9th was Law Enforcement Appreciation Day and we went to the local police station to show our appreciation for their service. Another project we did this month was putting together live plants that residents can tend to in their homes. We are starting the New Year off to a great start!

Resident Spotlight

Our Resident of the month is...
SONDRA DIAMANTIS

Congratulations to Sondra Diamantis for being our February resident of the month. Sondra enjoys spending her time either in the lobby or at an activity where she can be around people. One of her favorite activities is Bingo! Welcome to Madison, Sondra!

Dining Experience

Our amazing Dining Director Ashley is preparing a FRANCE style lunch this month for our residents. We are very excited to taste some of the popular FRENCH dishes.

From the Desk of the Executive Director

Hello Madison at Clermont residents and families!

HAPPY VALENTINE'S DAY!!

Love is in the air at Madison! On February 10th, we will have a Valentine social where we will hear what love means to our residents. Speaking of "love", we always thought of France being the "city of love". For Valentine's Day, we will be having a special "French" themed lunch prepared by our wonderful culinary team. We will also be crowning our very own King and Queen of Hearts voted by our residents.

Thanks again for giving us the opportunity to love on your loved one! Our top priority is to keep strengthen how life is done at Madison at Clermont. We are so grateful you entrust your family member to us, for our vision is to continue to be the area's premier assisted living and memory care community proving only the best care to our residents. My door is always open if you or your family need anything!

Best,

Jami Lu

Executive Director
