

August 2023 Highlights

One of our highlights at Madison is our Friday afternoon entertainment. Duane Hunt is a favorite and has provided music for special occasions and even national hip hop day, a new experience for all. We had a surprise visit from Ken and Barbie which was an exciting moment in the history of Madison!

From the Desk of the Executive Director

Hello Madison At Clermont residents and families!

As we close out summer we will celebrate Labor Day on Tuesday, September 5<sup>th</sup> with a pizza party, hopefully to celebrate cooler temperatures soon coming our way.

An event we want to remember is what happened in the United States on September 11, 2001. A moment of history most of us will never forget. On Monday evening, September 11<sup>th</sup> at 6:00 PM we will be showing a movie about the events surrounding that tragic day. Please let us know if this is something you do not want your loved one to see.

Our top priority is to provide an exceptional quality of life at Madison At Clermont. We are so grateful you entrust your family member to us, for our vision is to continue to be the area’s premier assisted living and memory care community proving only the best care to our residents. My door is always open if you or your family need anything!

Best,

*Jami Lu*
