RESIDENT OF THE MONTH Jeffer Brown

Our Resident of the month in none other than Jeffer Brown or "Uncle Jeffer" as he is lovingly called here in the community. Born originally in Jamaica he moved to Boston in 1945 and worked for the railroad company for five years. Then he moved on and began working with the US postal service in 1950, He worked there until 1987 and retired. 1988 is when Uncle Jeffer moved down to his current residence in Florida. In retirement Jeffer spent lots of time with his wife, family, and friends. He also discovered a brand-new hobby and lifelong love golfing. He played golf regularly in the Winter Park area until he was 95 years old. Jeffer turned One Hundred and One years old last month on August 20th!!

EMPLOYEE OF THE MONTH

KEVIN WEBB
Kevin is from Altamonte Springs. He graduated from Edgewater High School in 2007. He attended Bell Vista Training for his C.N.A. license. Kevin enjoys spending time with his family, going to the beach and outdoor activities. He loves working at our community and being there for the residents.

Hello once again Madison at Ocoee Family! This month we will be celebrating assisted living week, starting of course with grandparents' day! This is a week not only thanking our residents for choosing us to spend their best years with us, but the staff that make it happen so wonderfully for them as well. There will be several events throughout the week to bring as many joyful moments as possible to any and every one that helps this community thrive and prosper every single day.
