EMPLOYEE OF THE MONTH SHANIQUE SMITH

Shanique is from the Island of Jamaica. She has lived in the Orlando area for over 20 years. She is the oldest of five children. Her favorite time is Christmas because she is a Christmas baby. Shanique is one of our Madison at Ocoee nurses and loves keeping our residents as healthy as possible. She collects keepsakes especially Disney collectibles and loves her animal headbands. Shanique wants to make a difference each day for everyone no matter how small.

Fall Colors

-a color poem-

Red is a bowl full of warm chili.
Blue is the crisp fall air.
Green is a pumpkin vine.
Yellow is the long corn maze.
Purple is a cozy scarf.
Gray is the fall rain.
Pink is comfortable boots.
Black is a big spider.

October ushers in cooler weather and being one step closer to the Holidays. As a community we do have some changes with management as Wellness Director Jo has resigned from her position (in the meantime we have our lovely corporate nurse Ashley sitting in) but we have welcomed back Bridgette with open arms. Look out for events and fun particularly our trunk and treat toward the end of October.

All My Best,
Janell Dunn
