

August Highlight

For this month we would like to thank Marina from Sobe Rehab for coming in and doing an activity with us! Mocktails are always a great idea and what a refreshing way to cool off in the summer heat. Marina has been coming to our community for a couple of months now putting on an activity! Thank you again, Marina! We are thankful for you.

Quote of the Month

“Make it a September to remember”

Resident Spotlight

For the month of September our resident spotlight is Nancy. Nancy is married to Robert, and they share four children. Nancy’s favorite thing is spending time with all ten of her grandchildren. When Nancy was attending college, she gained a bachelor’s degree in Computer Science. There are many hobbies that Nancy enjoyed but her favorite was walking. Staying active is what Nancy says is the key to a long life! Here at Madison at Oviedo we are grateful for Nancy and cannot think of a better resident for the month of September.

E.D.’S HEADLINE

radius to medical appointments Monday and Wednesday only. We have been very accommodating to always find a way to say yes and assist on days other than our normal transport days. I have a plan for transports to continue as normal on Monday and Wednesdays only until our next Maintenance Director starts full-time. Should you have any questions regarding transportations, please feel free to contact me.

I also want to remind everyone, that my number being used to contact me has changed for quite some time now. The new number is 386-523-7931. If you could please update your contact, it would be greatly appreciated so I don’t miss any calls from you.

We would like to congratulate Althea for being selected at the Employee of the Month for Sept. Her dedication and years of service at Madison is greatly appreciated!

Cordially,
Bruce Burk II

Hello Friends and Families –
This year is going by so quickly! It’s hard to believe it’s already September! It is with a heavy heart to announce that Orlando, our Maintenance Director, has retired from his position from Madison at Oviedo. We wish he and his family nothing but the best in their future endeavors. On that note, regarding transportation, Madison at Oviedo provides transports within a 10-mile
