

September News

Some of the many activities we did during the month of September.

Quote of the Month

“October is crisp days and cool nights, a time to curl up around the dancing flames and sink into a good book.”- John S.

Resident Spotlight

This month our resident spotlight for October is Beverly Baran! Beverly attended the University of Massachusetts. She has lived in Kentucky and New Jersey. You can catch Beverly dancing with Joe for our ballroom dancing exercise. Beverly loves music. She is calm, kind and loving. We are pleased to present Beverly with Resident Spotlight for the month of September.

From the Desk of the Executive Director

Hurricane season has begun so I wanted to review what we have in place. Our community has a dedicated emergency management plan that is updated every year and approved by Seminole County. Our most recent generator inspection was completed on 8/30 and everything is running well.

In June, we evaluated our emergency food, water, and maintenance supplies to be prepared in the event we need to stay on site during an event. We are fully stocked with additional flashlights, batteries, and first aid supplies, should we need them. Miguel has also audited the emergency lights throughout the community. We will move furniture from the exterior of the community and prepare sandbags on an as needed basis.

We do not plan on evacuating in the event of a major storm unless the county requires it. Please know it is optional for residents to stay on site during a major storm as some families like to evacuate the area. Feel free to reach out to me if you have any additional questions about our plans or procedures.
