

August | What's coming up?

We love our energetic residents!!! We have had a busy month with lots of exercise and games. For example, balloon volleyball utilizes physical mobility and provides the space for fun with friends. We also do chair yoga and play cornhole to provide residents with a physical activity, as well as a mental challenge. We will have a luau party coming up later this month as well as time planned for musicians to come in and entertain the residents. It's going to be a great August!!!

RESIDENT OF THE MONTH PASTY CHESSLER

Patsy is a tremendous asset to the community. Not only to the staff, but the residents as well. She has a kind heart and loves everyone she encounters. She is always positive and will find a way to compliment anyone she encounters. We could all learn from Patsy as her positivity, empathy and energy are contagious. Patsy was an only child, growing up on a farm with horses. She said she wanted "lots of kids" so she had 5. She loves the outdoors and staying active in the community.

Jannie Crouse
Executive Director

Nikki Choate
Business Office Coordinator

New Leadership Team Members

Jannie comes to us with a wealth of knowledge and clinical experience. Most recently she was the Executive Director of Heritage Assisted Living for over 5 years and is well regarded in this area. She also holds a board position with the Assisted Living Association. She has worked in several clinical capacities on her journey. Her mother was a Director of Nursing in an Assisted Living Community, so she really grew up in an Assisted Living Community. Then once she was old enough, she started out as a CNA, then a Nurse, then accomplished her career goal of becoming an Executive Director. Jannie is from New Hope and is a lifelong resident of Madison County. She has a passion for caring for seniors that started as a child and shines through today. She is married with 3 beautiful daughters, likes loud music and is pretty into off roading in jeeps. Please help me welcome Jannie as she begins her mission for excellence in our community!!!

Nikki comes to us with a wealth of experience in Human Resources and billing. Most recently she worked in logistics for Kerry Corporation, coordinating flights for the delivery of goods from China to the U.S. She is originally from Hazel Green, AL. and now calls Madison home. She loves horses and dogs, having been a lifelong pet owner. When she feels like getting her adrenaline going, she is a big fan of trail blazing on her ATV! Please help us welcome Nikki in this next chapter of her already successful career!

July | What happened?

WE LOVE OUR CRAFTY RESIDENTS!!!! There has been a lot of crafting with Grace in Activities this month. Doing crafts provide many psychological benefits. It is a great form of group communication, self-expression, and therapy. Beach day was a big hit, listening to music and painting seashells. This reminded many of the residents of vacations from days passed and it was fun to hear about their trips from years before. This month we also celebrated the fathers in our community with a Father's Day Luncheon and gifts. Spending time with our Residents and bringing them joy with daily activities and celebrations truly is a privilege.
